

The management is pleased to offer wireless broadband free service to our customers. Please read carefully the following instructions to be connected to our network. Regardless of the type of device that is installed on your mobile device (RJ45, internal card, USB...) you must configure the Internet Protocol as follows.

Any other configuration will not allow suitable connection to the wireless network. In case the configuration is correct please associate your device to the network named (SSID)

## wi5star.dellemuse

and accept the connection even if declared unprotected. In accordance with the applicable laws of the Public Safety (e.g. Counterterrorism) please note that all exchanged data are traced and filtered, while respecting The Privacy Act.

Any unlawful use of the free connection will exclude the client from surfing the net.

**The wireless connection is offered free of charge and as is, the Management will do all the possible to maintain high standards of quality in network operations, but does not assume any liability for any direct or indirect arising from the failure of wireless devices, installations or forwarding ADSL connection by the ISP Telecom Italia.**

**Guests who use Personal Computer at the Internet Point are kindly requested to sign the appropriate register at the Reception.**

For any further information you can send an email to [dellemuse@wifivestor.net](mailto:dellemuse@wifivestor.net) or SMS to +39(393)UCALLME.
